I scanned copies of the ordinance for your reference should you need it. I am sure you're very familiar with it though.

LADOT is not the agency that handles dwelling inside of motor vehicles. LADOT only handles parking violations.

Living inside of the motorhomes and violations of 85.02, is solely the responsibility of the LAPD. The issues surrounding the schools and restricted areas should be addressed by LAPD.

Please keep us in the loop as our efforts will continue.
